

Field Day – March 13th!

The students enjoy a carnival style field day at the Clarksville Park. Pre K through 2nd will visit in small groups 15 different stations throughout the park until their card has been marked for each station. 3rd through 6th will rotate through 4 larger group games. This is one of those days that your children will remember fondly for the rest of their lives.

How Can You Help? Volunteer! Volunteers are always welcome and appreciated. You can help at a station, distribute snacks or stay with your child's group as they participate. If you would like to volunteer, please contact Ted Barnhill.

Every family is requested, if able, to bring healthy snacks that do NOT contain nuts. For example: Popcorn, fruit roll-ups, granola bars, apples, bananas. Please begin bringing these to the school office now.
